Foreword

On the occasion of the 64th renewal of the Manitoba Bonspiel which will begin in the City of Winnipeg, Tuesday, January 29th, 1952, I am pleased to extend to all curlers, visitors and supporters a very warm welcome.

The members of the Executive Council have worked hard during the past months to make sure that your comfort and curling enjoyment will make your participation in the bonspiel one of happy memories.

We are looking forward to meeting old friends and making new ones. We hope that the friendships made during your stay in Winnipeg will become permanent and will help to foster true sportsmanship for which the grand old game is famous.

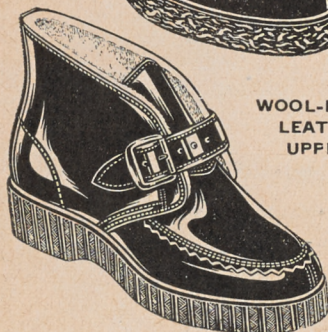

To our curling friends in all parts of the world, we send our best wishes.

JOHN DUTTON,
President,

Message from Premier D. L. Campbell

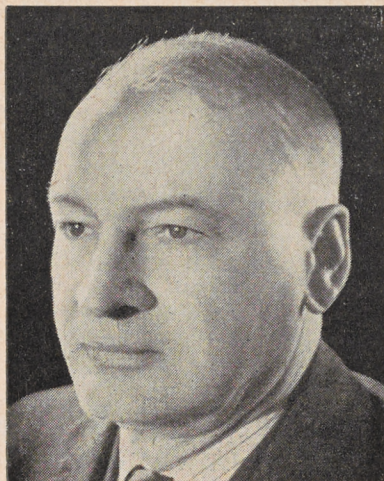

I am pleased to have this opportunity to extend, on behalf of the Government of Manitoba, a few words of greeting to all the curlers taking part in the 64th Annual Bonspiel of the Manitoba Curling Association.

The manner in which this annual sports event has grown and developed during its history of 64 years, speaks for itself in the great pleasure it gives the ever-increasing number of competitors and spectators, and in the wide recognition it has earned. Manitoba should indeed be proud.

To all of you I send the very best wishes of the Manitoba Government for a successful and enjoyable Bonspiel.

DOUGLAS CAMPBELL,
Premier of Manitoba.

A Message from the Mayor

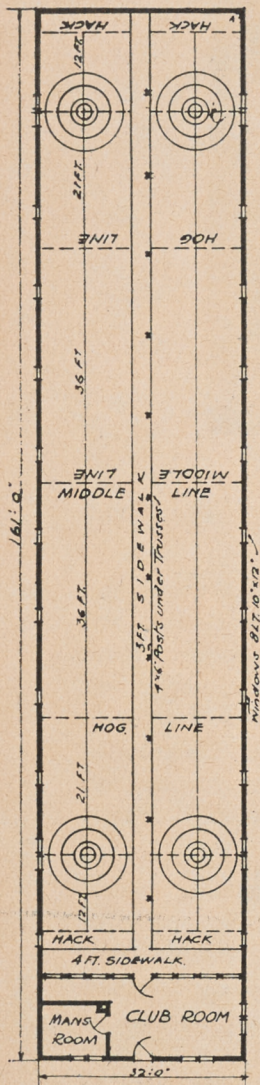

The 64th Annual Bonspiel will be held in Winnipeg, in January, 1952.

This Bonspiel will, as always, be under the auspices of the Manitoba Curling Association, and I extend a warm invitation to all curlers throughout the length and breadth of the land, including their supporters, to come here, either to take part or to observe. This is a great sporting event, the greatest of its kind held anywhere in the world, and all who come to visit us can be fully assured of having a splendid time.

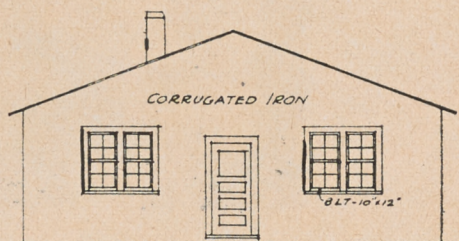

I give my warm wishes to the Manitoba Curling Association and to its supporters for the success of the forthcoming Bonspiel. To those visitors from out of town who come here for this event I extend a warm welcome on behalf of the people of Winnipeg, and the sincere hope that you all may have long and happy memories of your visit to Winnipeg.

Yours sincerely,
GARNET COULTER,
Mayor

General MacArthur, in speaking of war, has declared, "There is no substitute for victory." That is not true of curling. Curlers love to win, of course, but there are other things more important—the good fellowship engendered, the healthful exercise provided, and the thrill of taking part in a keen contest.

Curling has developed to a high degree the quality of true sportsmanship. Because this is so, and because being a good sport is an essential part of Christian character, I cherish the privilege of being Chaplain of the Manitoba Curling Association for 1952.

It is a pleasure to join with other officials in welcoming all participants and their friends to the 64th Annual Bonspiel. May your stay in the city be pleasant, your matches well played, and your album of curling memories enriched by your participation.

One of the traditional features of this "World's Greatest Bonspiel" is the Annual Curler's Service, which it is my responsibility to arrange and conduct. It will be held this year on Sunday, February 3rd, in Westminster Church, at 7 p.m. A warm invitation is extended to all curlers and their friends to be present. The officers of your Association join with me in requesting your co-operation in making this service a highlight of the week's activities.

Attention Curlers !

In order to assure the success of the Manitoba Curling Association Annual Bonspiel it is necessary for us to have the goodwill and financial assistance of various individuals and business organizations in greater Winnipeg.

It would be appreciated by the Executive Council if you would patronize our supporters whenever possible.

Our donors are listed on pages 33, 34, and 35.

"Biggest Game"

What is Canada's national sport, anyway? Some claim it is hockey and they will argue vehemently. Others with equal emphasis contend that lacrosse is Canada's truly national sport for it appears on the books of Parliament and was started before Canadians ever heard of the word "hockey." Others will now tell you that nothing creates the excitement of the Grey Cup Football classic in Toronto—especially when roaring Calgary Stampeders roll across the land or Winnipeg Blue Bombers descend on Toronto. A whole nation awaits at the side of the radios. And, indeed, every Saturday night hundreds of thousands of loyal Canucks listen for every word of Hockey Night in Canada.

In spite of all these claims—the biggest national sport in Canada is curling. Curling in a few short years has become Canada's largest participating sport. In other words more Canadians curl than play hockey, football, baseball, golf or any organized sport. Now, this will surprise some of you in the Eastern parts of Canada, but, it won't on the Prairies or in British Columbia and northern Ontario . . . for in these parts of our country they have gone curling mad.

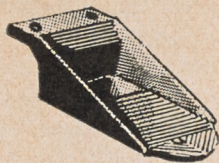

As a traveller I know what happens when the curlers descend on Winnipeg for instance. During Bonspiel week in Winnipeg there is not an empty hotel room for fifty miles on either side. Thousands of people come to town and thousands are turned away from the rinks. They come up from St. Paul, Minneapolis and Prairie towns on either side. Bonspiel week is the busiest in Winnipeg.

In Saskatchewan there is scarcely a hamlet which does not boast a curling rink. Farmers will often make a small open air rink—pile bales of straw around it so their children can practise. In some parts of the Prairies they have what is known as the Jam Circuit. Youngsters will take old jam tins and fill them with cement. They will clean off a piece of ice—mark it in conventional design and curl away in the clear but cold Prairie air. Sometimes, they will fill the tins with water and let it freeze. There are some parts of the West where the youngsters will take the ends of logs and use them for curling rocks.

Curling used to be thought of as an old man's game. The Prairie people soon fixed that. The improvements—the speed up in the "Roarin'" game has come from the Western Provinces. Without impairing the skill of the game they have pepped it up—and so today, it is our most universal game. It is played in every province and at the MacDonald Brier Dominion curling Championship each year in a different Canadian city—all ten provinces are represented. There is also an annual national championship for High School Curlers. So, this is the only game that attracts in large numbers—elderly men—elderly women—middle aged and young men and women. Curling has the longest season of any sport in Canada. And the beauty of the game is that at a Bonspiel you can't tell the banker from the baker or the fireman from the financier—or the miner from the minister.

Canada has more curlers than any country in the world. The Scots who started it called it "A Roarin' Game." We call it: "BIGGEST GAME."

These hacks definitely standardize Curling hacks, and are now in use in the progressive clubs across Canada. The Macdonald Brier Committee have adopted them as standard playdown equipment. Curlers find they do away with all hack worry leaving them with 100% concentration on their shot. Definitely they should be a "must" with your curling club.

Four (4) rubbers are required for one sheet of ice, and four (4) cups are required for a club.

WILLIAM H. HAIN
Winnipeg

HONORARY LIFE MEMBERS 1951

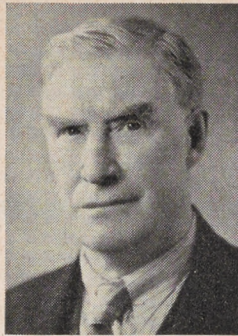

PETE FORSYTH was born in Brussels, Ontario, and came to Manitoba in 1886. He first curled in Brandon, Manitoba, in the 90's and his first real curling was done at Forrest, Manitoba, where he served as the President of that club. He then became a member of the Wheat City Curling Club in Brandon and has curled there for the past twenty-five years. He has been actively connected with the affairs of that club and is one of its Past Presidents. He first played in the Manitoba Curling Association Bonspiel in 1910 and until recently continued to bring a rink in each year. He continues to curl at the Wheat City Curling Club in Brandon and occasionally finds time to attend the Annual and Semi-Annual Meetings of the Manitoba Curling Association.

AB. GOWANLOCK was born at Glenboro, Manitoba, on the 14th day of September, 1900, and his first experience at curling was on a sheet of ice in the back yard of his home. This was about 1912. In 1916 he joined the Glenboro Curling Club and was a member until 1939. During the season 1928-29 he was their President. He then moved to Winnipeg where he spent four winters as an associate member of the Granite Curling Club. In 1939 he became a member of the Fort Brandon Curling Club in Brandon where he continued to play until 1941 when he was transferred to Dauphin and became a member of the club there. He acted as President of the Dauphin Curling Club in 1944 and is still a member of that club. In 1938 as a member of the Glenboro Curling Club he skipped a rink in the Manitoba Curling Association Bonspiel which won the British Consols Trophy and with it the right to represent Manitoba in the Dominion Curling Finals. Ab. and his rink were successful in bringing the Dominion Curling Championship to Manitoba. He first played in the Manitoba Curling Association Bonspiel in 1924, missed 1925, and has attended the bonspiel every year since. He was named 2nd Vice-President of the Manitoba Curling Association in 1941-42 and again in 1950-51, and he continues to look after the interests of the Association in his district where he represents the Manitoba Curling Association as a District Chairman for the British Consols Playdowns.

WILLIAM H. "BILL" HAIN was born in Scotland on the 8th day of October, 1891, and shortly after coming to Canada he associated himself with the game of curling, his first affiliation being with the Terminal Curling Club, Water Avenue, Winnipeg, in the year 1912. During the years that followed he played as a member at the St. Johns Curling Club, the Strathcona Curling Club, the Granite Curling Club, and the Fort Garry Curling Club in that order. Bill served on the Executive of the Granite Curling Club from 1924 to 1927 and in 1927-28 became the first President of the Fort Garry Curling Club. He was a member of the Executive Council of the Manitoba Curling Association from 1928 to 1935 and that year he was made a Life Member of the Fort Garry Curling Club. He then ventured west where he continued his interest in curling and in 1937-38 occupied the position of President of the Prince Albert Curling Club. In 1944-45 the members of the Nutana Curling Club of Sas-

katoon named him as their President and from 1944 to 1948 he was a member of the Executive of the Saskatchewan Curling Association. His curling friends in Manitoba were pleased when he returned to Winnipeg and the Fort Garry Curling Club in 1949. Bill is a Charter Member and Past President of the Past Presidents' Association of Manitoba Curling Clubs.

WILLIAM E. LUMSDEN was born in Brandon, Manitoba, on the 27th day of May, 1907. He moved with his family to Winnipeg shortly after and threw his first rock in the Elmwood Curling Club in 1924. He first curled in the Manitoba Curling Association Bonspiel in 1932 and has played in most of them since that date. He has been actively connected for years with the Elmwood Curling Club acting as Secretary of the club for about nine years and was also their President during the year 1939-40. He became interested in the affairs of the Manitoba Curling Association and at various times was Chairman of the Junior Committee, the Entertainment Committee and the Ice Committee, following which he occupied the position of Honorary Secretary-Treasurer during the season 1946-47 and was President of the Manitoba Curling Association on the occasion of its 60th anniversary in 1948. Bill was Vice-President of the Association's Red Cross Committee during the war years when the members of the Association made such a wonderful effort in providing Red Cross parcels for the Canadian prisoners of war. He continues to further the interest of the Manitoba Curling Association as a member of the Finance Committee.

ARTHUR RIDEN WALKEY was born in Mitchell, Ontario, on the 22nd day of October, 1881, and after a sojourn in South Dakota came to Manitoba in October, 1891. He did his first curling as a kid in Newdale, Manitoba, around 1895 but did not really take to the curling game until he joined the Strathcona-Free Press Curling Club in 1910 and curled in his first Manitoba Curling Association Bonspiel in 1912. He remained a member of the Strathcona Curling Club (except during his service in the Army in the First World War) until 1932 when he transferred to the Fort Garry Curling Club where he remained until the organization of the Civic-Caledonian Curling Club of which he became a Charter member and where he has served as 2nd and 1st Vice-President and President and worked on all committees. He has participated in all Manitoba Curling Association Bonspiels since 1912 with the exception of three in addition to those he missed while in the army. Art is at present a member of the Finance Committee of the Manitoba Curling Association.

THOMAS H. WRIGHT was born in the Princess District near Waskada, on the 25th day of September, 1895, and threw his first curling rock in the Waskada rink in 1913. He has continued to be an active member of that club ever since having served as their President at various times. He is also active in promoting the affairs of the Manitoba Curling Association having acted as District Umpire for fifteen years and as a District Chairman in the operation of the British Consols Playdowns for the last few years. He attended his first Manitoba Curling Association Bonspiel in 1926 and has attended most Association Bonspiels since that time.

PAST PRESIDENTS' CURLING ASSOCIATION

The Past Presidents' Curling Association, as its name indicates, is an association formed to try to retain the interest in the game of curling among men who have been presidents of their respective clubs. Any past president of a club affiliated with the Manitoba Curling Association is eligible for membership. It was founded May 4, 1928, and the charter members were: H. F. R. Baker, W. A. Brock, E. A. Brown, J. B. Crawford, W. J. Logan, W. R. McAlpine, J. H. A. Perry, Frank Smith, J. A. Wilson.

The objects of the Association are: To maintain interest and promote good fellowship in the game of curling; to assist the Manitoba Curling Association to promote the game of curling in the Province of Manitoba.

The activities consist of an annual bonspiel and luncheon held in Winnipeg in December; an annual dinner and general meeting in the spring and a golf tournament in the summer.

CONSTITUTION

MANITOBA CURLING ASSOCIATION

1. The Association shall be called the "Manitoba Curling Association" and shall be affiliated with the Dominion Curling Association and the Royal Caledonian Curling Club of Scotland.

2. The object shall be to promote the game of Curling in the Province of Manitoba, adjoining provinces, and the neighboring United States; to unite all curling clubs therein into one organization; to hold fraternal intercourse with other neighboring Curling Associations; and to maintain connection with the Royal Caledonian Curling Club of Scotland through the Dominion Curling Association.

3. Its membership shall consist of the Honorary Members of the Association and regular and honorary members of all curling clubs which may be received into the Association and conform to the rules thereof as adopted.

4. The affairs of the Association shall be managed by a Representative Body composed of one delegate elected by each affiliated club, together with all Past Presidents of the Association and retiring members of the Executive Council; which shall have power to elect, from among the members of the Association, the office bearers of the Association and to appoint Committees for the transaction of business thereof.

5. An Annual General Meeting of the members of the Association shall be held in Winnipeg on the third Wednesday of April in each year to receive the Annual Report of the Executive Council, Annual Report of affiliated clubs, fix dates of Annual Bonspiels, and to transact such other business as may be necessary.

6. At the Annual Meeting, the delegates shall elect for the year ensuing the Honorary and Active office bearers of the Association, who shall come into office immediately upon their election and continue as such until successors are appointed. The Honorary officers shall consist of: Patrons and Honorary President or Presidents. The Active officers shall consist of: President, First, Second and Third Vice-Presidents, Chaplain and an Executive of fourteen members. The Annual Meeting shall also elect the auditors and one delegate and an alternate delegate to the Dominion Curling Association. The persons eligible for election as Active officers of the Association or on the Executive shall be members in good standing of any club in affiliation with the Manitoba Curling Association.

7. The Executive Council shall consist of the President, First, Second and Third Vice-Presidents, Executive of fourteen members, Presidents of Curling Clubs of Greater Winnipeg, President of the Past Presidents' Association, the retiring President of the Association and officers and directors of the Dominion Curling Association resident in Manitoba during their term of office.

8. The Executive Council shall appoint a Secretary-Treasurer, who shall, subject to the direction of the Executive Council, have the supervision of the proceedings and financial affairs of the Association, conduct the correspondence, countersign all cheques, collect all dues, and keep a correct account of all receipts and expenditures of the Association, keep a record of all meetings of the Association, Executive Council and the Committees thereof, and such other duties as may be designated from time to time by the Executive Council. The term of engagement of the Secretary-Treasurer and all other matters relating thereto shall be at the discretion of the Executive Council.

9. A Semi-Annual Meeting of the Association shall be held on the third Wednesday of November in each year to organize for the curling season, receive the semi-annual report of affiliated clubs and Executive Council, and transact such other business as may have arisen since the Annual Meeting. Fifteen delegates shall constitute a quorum at meetings of the Association, and seven members at any meeting of the Executive Council.

10. At meetings of the Association only duly accredited delegates will be allowed to speak to or present motions. No exception to this rule may be made unless with the permission of the Chair.

11. Any regularly affiliated club shall, in addition to selecting one regular delegate from its members, elect an alternate delegate from its own or some other club, so that such club may have an accredited delegate at all regular meetings of the Association, but such delegate, whether regular or alternate, shall not represent more than two (2) clubs in affiliation with the Association. An alternate delegate shall have no status at any meeting of the Association if a regular delegate is registered with the Credential Committee. Where a club delegated a party other than their regular delegate or alternate delegate to act on their behalf at meetings of the Association, notice in writing shall be given to the Association forty-eight hours before the meeting in question setting forth the name of the person to whom they were delegating their powers.

12. The President shall preside at all meetings of the Association and Executive Council. He shall sign the minutes of such meetings (after they have been confirmed), official documents, and sign all cheques. He shall have a casting vote in case of a tie, as well as a deliberative vote.

13. In the absence of the President, the First Vice-President shall take the place and discharge the duties of the position, and the Second Vice-President shall have the same authority in the absence of the President and the First Vice-President, and the Third Vice-President shall have the same authority in the absence of the President and the First and the Second Vice-Presidents, and should all of them be absent from any meeting, it shall be competent for the meeting assembled to elect a chairman, who shall have, pro tem, all the rights and powers of the President.

14. The books and accounts of the Association shall be audited annually and reported thereon to the Association at the Annual Meeting.

15. The standing Committees of the Executive Council shall be as follows: Finance, Programme, Ice and Draw, Entertainment, Publicity, Credential, Junior, Nominating and any Special Committee deemed essential to the conduct of the business of the Association. Five shall constitute a quorum.

16. The Finance Committee shall have charge of all finances of the Association, provide ways and means for revenue for its maintenance, supervise all expenditure and approve all accounts before payment.

17. The Programme Committee shall have charge of the admission of clubs into affiliation and the arranging of district matches and the programme and prize-list for the Annual Bonspiel. It shall also have charge of the Annual and all printing of the Association.

18. The Ice and Draw Committee shall have charge of the draws, rinks, rocks and identification badges at the Annual Bonspiel. It shall name Umpires for all regular and special matches of the Association, and arrange for a special committee on complaints and appeals, in the event of any dispute arising in competitions during the Bonspiel or at any other special matches held under the direction of the Association.

19. The Entertainment Committee shall have charge of meeting all visiting delegates or curlers to the Annual Bonspiel or meetings of the Association, and to make provision for hotel or other accommodation, and give them all necessary information as to such meeting. It shall also, in the event of a banquet or other entertainment to visiting curlers, take full charge of same and arrange any programme for such entertainment.

20. The Publicity Committee shall have charge of all matters pertaining to the general publicity of Bonspiel and Association.

21. The Credential Committee shall check over the list of delegates and alternates appointed to all meetings and submit their report to the presiding officer of such meeting. Notices of Annual and Semi-Annual meetings shall be sent in writing to all affiliated clubs, Past Presidents of the Association, active officers and members of the Executive Council, at least three weeks before the date of the meeting.

22. The Junior Committee shall have charge of all business in connection with the Junior, Juvenile and High School Bonspiels and all other competitions in which members of the above groups may be eligible to compete. Each year a sub-committee of the Junior Committee shall be set up for the purpose of operating the High School

Boys' Bonspiel. This sub-committee shall be composed of equal representation from the Manitoba Curling Association's Junior Committee and the Manitoba Physical Education Association, and this sub-committee shall function under the chairmanship of the Chairman of the Manitoba Curling Association's Junior Committee. This committee shall file each year with the Association an audited statement of its accounts.

23. The Nominating Committee shall be composed of the Executive Council then in office, and the duty of the Nominating Committee shall be to submit to the Annual Meeting in each year nominations or recommendations for the offices of President, 1st Vice-President, 2nd Vice-President and 3rd Vice-President, but the nominations or recommendations of such Nominating Committee shall not preclude any regular delegate or alternate delegate at the Annual Meeting from the privilege of making additional nominations or any or all of the above mentioned offices.

24. The reports of all committees shall be approved by the Executive Council before any action is taken thereunder.

25. The Executive Council shall recommend to the Association at its Annual Meeting four names whom the meeting may appoint Honorary Life Members in recognition of special services to the Association and to the game of curling. In addition, the Executive Council may also recommend to the Annual Meeting a sufficient number of names to replace those Life Members who have passed on in the immediately preceding year. The Executive Council of the Association may appoint not more than two Honorary Life Members in any one year, members so appointed by the Executive Council shall be from clubs outside the jurisdiction of the Manitoba Curling Association.

26. The Constitution of the Association shall not be altered or repealed until approved of by at least two-thirds of the members present at a meeting of the Association and unless notice of such alteration or addition shall have been previously given at the preceding Annual or Semi-Annual meeting.

CLUBS

1. Any curling club shall be eligible to be received into the Association (subject to the approval of the Executive Council) which has a membership of not fewer than sixteen persons, and which has a constitution and a staff of office bearers, including Patron, President, First and Second Vice-Presidents, a Secretary and a Treasurer (which offices may be combined in one), executive of five members and one delegate and alternate to represent the club on the Association. The club must operate a building properly equipped and maintained for curling.

2. The fees payable by clubs shall be an entrance fee, annual club fee, and annual dues for regular members.

3. The entrance fee of any new club shall be \$5.00, which must accompany the application, together with annual club fee and other dues.

4. The annual dues shall be paid in advance, as follows: A club fee of \$2.00 each year from each club, and an additional sum of \$1.00 for each regular member of clubs in Winnipeg and district, and 25 cents for each regular member of other clubs. Members can be registered up to the 31st day of January in each year, and new clubs admitted up to the same time. All regular members of a club shall be duly registered with the Association.

5. No club in arrears shall be entitled to compete in the District Matches or for any prize of the Association at the Annual Bonspiel.

6. If any club shall fall two years in arrears in the payment of annual dues, it shall be struck off the roll of the Association and shall not be reinstated except as a new club, unless the Association shall decide to the contrary by a two-thirds vote.

7. No person can be a regular member of more than one affiliated club at one and the same time, and a list of such members shall be sent to headquarters with their semi-annual reports not later than the first of November in each year, but a person may join more than one club, although not allowed to play as a regular member of the club in district or bonspiel matches.

8. Should any new members join the club during November, December and January, the secretaries must forward to the Secretary at headquarters a list of such members not later than the date of the closing of bonspiel entries so as to qualify them to take part in the Annual Bonspiel in February.

9. Persons who from change of residence or other reason find it desirable, may withdraw from one club and be received into another during the curling season; but

the change before coming into effect must receive the assent of both clubs and be approved by the Executive Council of the Association.

10. No such change or any other reason shall make it lawful for any curler to play in any one season for or on behalf of more than one club for prizes allocated by the Association or given under its auspices.

11. Clubs shall classify their members as Honorary, Regular and Associate. Each club shall pay an annual fee of \$2.00, and on each regular member thereof a per capita tax of 25 cents (or \$1.00 as provided in paragraph 4) per annum. These fees must accompany the annual report after the annual meetings of clubs upon the first Wednesday of April in each year. Only regular members shall be entitled to take part in Association games and be eligible for election as a Delegate to the Association.

PROCEDURE

1. At all meetings of the Association, motions or notices of motion shall be in writing and be read from the chair before being discussed.

2. At special meetings no business shall be transacted other than that for which the meeting was convened, and which has been clearly set forth in the notice calling such meeting.

3. The same procedure shall be observed at meetings of the Executive Council as at regular and special meetings of the Association.

4. All reports of Committees to either the Council or Association shall be in writing and be duly signed by the Chairman.

5. No member shall speak on any subject more than once, except the mover, who shall be entitled to close the debate.

6. No member shall be allowed to discuss any subject that is not strictly before the meeting by a regular motion.

7. The following shall be the order of business at all regular meetings of the Association:

- | | |
|---|------------------------------------|
| (1) Reports on credentials of delegates. | (7) Reports from affiliated clubs. |
| (2) Reading minutes of previous meetings. | (8) Executive Council Report. |

GENERAL RULES

1. Play will commence each day at 9.00 a.m., 12.45, 4.30, 8.15 p.m., and games will be of twelve ends unless arranged otherwise by the Ice Committee.

2. At starting times, as stated in paragraph 1, umpires shall give starting signal, first in waiting rooms, and immediately after on the ice. All rinks to be on the ice upon which they are drawn to play at the time at which they are drawn to play.

3. If competing rinks are not on the ice ready to play when signal is given, and opponents are ready to play, the umpire shall score against the late rink one point for every fifteen (15) minutes or fraction thereof it is late; such penalty points to be marked on score cards by umpires and must be considered in the total score of the game. Opponents of late rinks must accept points marked on score cards by umpires and on no account can these points be waived by mutual consent or otherwise. One end will be considered played for every point so scored.

4. In the event of both competing rinks being unready to play when signal is given, the umpire will score one point for each rink and one end will be considered played for every fifteen (15) minutes or fraction thereof they are late.

5. When ten-end games are being played umpires will signal for completion of game at two hours and twenty-five minutes after the start of each draw. When twelve-end games are being played umpires will signal at two hours and fifty-five minutes after the start of each draw and games must finish with the completion of the end being played, excepting any game which may be tied at the completion of that end, such tie games to proceed until a point is scored to decide the game. A rock must have been thrown by a player before an end can be said to be in progress of being played. In the case of a double rink event, an end will be considered started for both games when a rock has been thrown on one sheet, also an end cannot be considered completed until the same number of ends have been played in each game.

6. When six penalty points in a ten-end game or seven penalty points in a twelve-end game have been scored against a rink in default for being late in accordance with the foregoing rules, the umpire shall immediately declare the opposing rink the winner of that game and shall report accordingly, and the committee shall take that game as having been played.

7. The two skips opposing each other shall settle by lot, or in any other way they may agree upon, which player shall lead in the first end actually played.

8. Two sets of rocks will be placed on each sheet of ice by the Association and numbered to correspond with the number of the sheet. One set will be identified with blue labels and the other with red labels. Rinks must play with the rocks provided on the sheet of ice and the skips can settle by lot or in any other way they may agree upon as to the choice of rocks. Under no circumstances will players be allowed to use their own rocks; nor can rocks be moved from one sheet to another.

9. If one player on a rink be not on hand at starting time, three players may proceed with the game in accordance with the Rules of the Game, paragraph 22. The player coming late may sweep as soon as he comes upon the ice, but cannot play his stone until after the completion of an end; with the following exceptions: A skip or third may play if he comes upon the ice before the second has delivered more than two stones, a second may play if he comes upon the ice before the lead has played more than two stones.

10. The Manitoba Curling Association will insist that all curlers living within the jurisdiction of the Manitoba Curling Association, to enter in the bonspiel, shall be active members of an affiliated club and wherever possible a rink must be composed of members of the same club. If members of one club find it impossible to make up a complete rink of four men, then it will be permissible to fill the rink with

members in good standing from some other club affiliated with the Manitoba Curling Association. In all cases the consent of both or all clubs concerned shall be given. The Council of the Manitoba Curling Association reserves the right to drop from bonspiel play any rink which is not composed fully of members in good standing of an affiliated club or clubs. A member in good standing is one who pays the annual dues set by that club for active playing members. In the event of a member of a club located in Greater Winnipeg playing with a rink from outside the district of Greater Winnipeg, such member must pay bonspiel entry fee as set for Winnipeg and district curlers.

11. Umpires shall use measuring sticks supplied by the Association to determine whether or not a rock is a counter on outer ring.

12. Rinks entered in any competition must have four active players and go through the Open Events with the four named players as entered on official entry form, no substitute being allowed. All players must be in good standing in their respective clubs at least thirty days prior to the Bonspiel.

13. Rinks must play as entered on the official entry form in all Open Events and shall play in each Open Competition in the position fixed by the skip in the playing of the first end of any game. No change shall be made once game has started.

14. In the event of a rink becoming incapacitated through illness or unavoidable absence of any player, no substitute player may be entered but the three remaining members may continue to play, but no rink will be allowed to continue with less than three members.

15. Unless otherwise provided in the rules governing the competition or as set out in Rule 1, twelve ends shall be played in each successive game, and in the event of the score being tied when twelve ends have been played an extra end or ends shall be played until the winner is decided.

16. In the event of any disagreement between skips, the umpire shall be asked for a decision. In the event of his decision being disputed by either or both of the contestants (skips), the matter may be appealed to the Chairman of the Ice Committee and his decision shall be final.

17. The umpire at the close of each game, shall, together with the losing skip, sign the score cards.

18. In the opening round of any bonspiel event rinks will play as drawn regardless of the club to which they belong.

19. All trophies, tankards and cups, shall, unless otherwise provided for, remain the property of the Association; but winners of such, who may desire to retain them for any stated time, may have them upon giving ample security for their safe return.

20. For the purpose of Rules, the Henry Birks, City Hydro, Hudson's Bay, Monarch Life, Black & Armstrong, Ganong, Eaton, Grain Exchange, Imperial Oil, Canada Packers, Winnipeg Electric and Free Press competitions shall be considered open events.

21. *Photograph of all cup winners will be taken at the rink immediately after the final game. This will be done at the cost to the Association. Anyone wishing copies will have to place their order direct with the photographer at their own expense.*

22. Competitions listed in this programme on pages 48 to 66 are men's competitions and shall be open to men only. Competitions on pages 78 to 82 are women's competitions and shall be open to women only.

23. Where no specific rule is given to apply to competition, then the General Rules of the Manitoba Curling Association shall apply. Should any emergency arise during the time of the bonspiel, the Ice Committee may change general bonspiel rules.

RULES OF THE GAME

1. The standard length of the rink shall be 46 yards from hack to hack, and shall be laid out according to the annexed diagram.

2. From and in exact alignment with both tees, a line, called the centre line, shall be drawn to a point four yards behind each tee; at this point a line shall be drawn at a right angle to the centre line, on which the hack shall be cut. The hack shall not exceed six inches in length, nor shall the inner edge thereof be more than three inches from the centre line, so that all stones shall be delivered with their centre upon the centre line.

3. No important match shall be commenced if the ice be not in a condition fairly to test the curling skill of the competing players. The umpire's decision regarding the condition of the ice shall be final in all cases.

4. All matches must be the majority of shots won, after playing a certain number of heads. In the event of both parties being equal at the conclusion of the match, play shall be continued, under the direction of the umpire, by all rinks engaged for another head, or for such additional number of heads as may be necessary to decide the match.

5. Every rink to be composed of four players a side, each using two stones, and playing one stone alternately with his opponent, and the rotation of players observed in the first head shall not be changed during the match.

6. The two skips opposing each other shall settle by lot, or in any other way they may agree upon, which party shall lead in the first head, after which the winning party shall lead.

7. The skips shall have the exclusive management and direction of the game for their respective parties, and may play last or in any part of the game they please, but are not entitled to change their places when once fixed. When their turn to play comes, they shall each appoint one of their players to act in their places as skip of the game, and must take the position of ordinary players until they have played and returned to the tee-head as skips.

8. Players during the course of each end shall be arranged along the sides, but well off the rink, as their skips may direct; and no party except when sweeping according to rule, shall go upon the middle of the rink. Skips alone have to stand within the twelve-foot circle; the skip of the party playing to have the choice of place, and must not be obstructed by the other in front of the tee; while behind it, the privilege of both, as regards sweeping, shall be equal.

9. Every player must be ready to play when his turn comes, and shall not take more than a reasonable time to play; should he play a stone belonging to another player, the stone so played shall remain in play until it comes to rest and the stone which should have been played shall be put in the place of the stone played in error to the satisfaction of the opposing skip.

10. If a player should play out of turn, the stone so played shall remain in play and the player missing his turn shall play his rink's last rock on that end.

11. If any player engaged or belonging to either of the competing clubs shall taunt or otherwise interrupt any other player not of his own party, while preparing to play his stone, so as to disconcert him, one shall be added to the score of the party so interrupted for each interruption and the play proceed.

12. If in sweeping, or otherwise, a running stone be marred by any of the party to which it belongs, it shall be put off the ice, but if marred by any of the adverse party, it shall be placed wherever the skip of the party to which it belongs may direct. Should any played stone be replaced by any of the players before the head is reckoned, it shall be placed as near as possible to where it lay, to the satisfaction of, or by the skip opposed to the party displacing it. If displaced by any neutral party both skips to agree upon the position to which it is to be returned, and if they fail to agree, the umpire shall decide.

13. The sweeping shall be under the direction and control of the skips. Upon all occasions a stone may be swept from the HOG SCORE nearest the point from which the stone is delivered, and may be swept by the party to which side it belongs until it comes to the SWEEPING SCORE; but all stones when they have

passed the sweeping score may be swept by EITHER SKIP ONLY. Skips will have the liberty to sweep behind the tee at all times, except when a player is receiving directions to play from the skip. All sweeping shall be across the rink, and the sweeper must be in front of the stone being swept, and at one side thereof; and no sweeping shall either be moved forward, or left in front of a running stone or a stone "at rest."

14. All stones shall be of circular shape. No stone, including handle, shall be of greater weight than forty-seven and one-half pounds, or of greater circumference than thirty-six inches, or of less height than one-eighth part of its greatest circumference.

15. A stone which fails to pass the hog line shall be removed from the ice, unless it has been prevented from passing by striking another stone lying in play.

16. All stones which have passed the back line shall be removed from the ice.

17. Every stone within or resting upon the outer ring shall be entitled to be counted in the game and a stone shall not be considered over a line unless it has crossed it and entirely cleared it.

18. No stone or side of a stone shall be changed after a match has begun unless with the consent of the opposing skip. Should a stone happen to be broken during the game, the largest fragment shall be considered in the game for that end, and the player shall be entitled to use another stone or another pair, during the remainder of the game.

19. Should a played stone roll over or stop on its edge, or top, it shall be put off the ice. Should the handle quit the stone in delivery, the player shall be entitled to replay the stone if it is stopped before it reaches the hog score at the end of the rink to which it is being delivered.

20. No measuring of shots allowable previous to the termination of the end. Disputed shots to be determined by the vice-skips; or if they disagree, by the umpire; or if there is no umpire, by some neutral person chosen by the skips. All measurements to be taken from centre of tee to nearest point of stone, after removing stones interfering.

21. If any of the competing rinks are not ready to begin to play at the hour named for a match, one end shall be counted as played for every 15 minutes delay; and the opposing rink, if ready to play, shall count one point in the game for each such period of time it is kept waiting.

22. No rinks shall be eligible to enter the bonspiel unless in the first game played they start with four bona fide active players. If, however, after starting the first game in the bonspiel, any member through sickness, or other unforeseen circumstances, is unable to play, then the following rule to apply:

(a) If the skip be absent, then the third man becomes skip, and the second man plays his own and the third pair of stones.

(b) If the third player be absent, the second man shall play second and third place.

(c) If the second man be absent, the lead shall play both first and second stones.

(d) If the lead be absent, the second player shall play his own as well as the lead stones.

(e) No sweeper shall be allowed for the absentee, and no rink shall continue to play with less than three men.

23. After all the stones have been played in each head, the head shall be counted as follows: the side having one or more rocks nearer the centre than any of those of the opposing side shall count one point for each rock nearer such centre point, that is to say, if one skip has three rocks nearer the centre point than the other, then the other skip has one rock the fourth nearest, then the first skip has three more, the first skip shall only count three because the fourth rock would destroy the others, and so on.

24. The game is scored by ends, the side winning the greatest number of shots in the head counts one point for each shot, and the game is totalled at the completion of the required number of ends, and the side having the greatest number of points wins the game.

25. In connection with competition, where the question is raised as to whether a game is played or defaulted, it shall be understood that all games where six ends or more have been played the game shall be considered a played game and all games called prior to the completion of the sixth end by the Ice Committee shall be declared no contest and redrawn, the contestants to start from scratch on new draw.

MANITOBA HIGH SCHOOL BONSPIEL
DECEMBER, 1950

Out of a record entry of 196 rinks in the High School Bonspiel, Larry McLean and his young rink pictured above, from the town of Gladstone, Manitoba, won the right to represent the Province of Manitoba at the Canadian High School championships which were held at Nelson, B.C. in February of 1951.

At the conclusion of three days play, the finalists in the four competitions played off for the right to represent Manitoba. Finalists were: Free Press Competition—Lyon of West Kildonan and Woods of Carman; Tribune Competition—Houck of St. James and Snyder of United; Standard Broom Competition—Williams of Kenora and McLean of Gladstone; Dan Davidson Competition—Boushy of Dauphin and Cossey of Kenora. The final game was played before a packed house at the Granite Curling Club, and after a keenly contested game the Gladstone team became the Manitoba High School champions. For the first time a play to play description of the final game was broadcast by two radio stations. During the bonspiel week visiting teams were entertained to a stage show, moving pictures and buffet lunch by the T. Eaton Company, and to Junior Hockey Games. After the final games, trophies and prizes were presented to the competition winners and runners-up at the Granite Club.

In February, the Gladstone rink travelled to Nelson, B.C., to represent Manitoba. Nine Provinces were represented at the Canadian High School Championships. The boys were royally entertained and presented with many souvenirs. On the day following completion of the playdowns, buses transported the teams to Trail, B.C., as guests of the Consolidated Mining & Smelting Co., and the Trail Curling Club. Returning from Nelson, they had the pleasure of stopping at Calgary, touring the famous Stampede City and joining with the Mount Royal College students for dinner. This year the Canadian High School Championships will be held at Moncton, N.B., and by the time this page is read, the 1951 Manitoba Champion will have been declared.

Ken Watson very reluctantly turned down the Chairmanship of the Manitoba Junior Committee, to accept the well deserved position of 1st Vice-President of the Manitoba Curling Association. We feel that it is fitting and proper at this time to pay tribute to "Ken" for his diligence and perseverance in developing and promoting of High School Curling throughout the Province.
